Ms. Dorsey,

Hope all is well since we last spoke and thank you very much for all the information you've provided via email. It's been very helpful.

I am writing to request a virtual meeting with you and your staff to discuss elements of the Class VI program, specifically around financial assurance requirements. Could you please provide a few times in the coming weeks that work for you and your team? If we may have an hour of your time, that would be great. I know you are meeting with members of our team next week to discuss a separate effort at another site, so I truly appreciate your time and consideration. I will coordinate on our end and send out more information once we find a time that works.

Sincerely,

William Swetra
